

- We value diversity and inclusion in our supply chain to help Momentive provide innovative solutions to meet the needs of our customers, and engage suppliers to act on diversity, equity and inclusion within their workforce.
- As part of our commitment to diversity, we are increasing our sourcing of products and services from women business owners globally.
- Momentive has joined [WEConnect International](#). WEConnect International provides an internationally recognized standard of certification for women business owners who own, manage and control 51% or more of their businesses.
 - If you are a woman owned business, we would like to introduce you to WEConnect International and on behalf of Momentive and the other corporate members, invite you as a key supplier to become a WEConnect International certified woman-owned business.
- Momentive is working with [Supplier IO](#) to identify and increase sourcing of products and services from small and diverse suppliers in the United States/Canada and the UK.
